

Group Leaders Guidelines for Non-Members Attending Group Sessions

1. u3a rule for non-members attending a group meeting. These need to be followed for insurance purposes

To all Group Leaders

A non-member is allowed to attend two taster sessions before joining Thornbury u3a as a full member.

If a non-member **or member** has a carer that needs to stay with them at all times then the carer can stay at group sessions without being a member of the u3a.

A carer is not permitted to go on a group visit

A non-member is NOT permitted to go on a visit with a group. They must join the u3a beforehand.

It is not permissible for a family member or friend of a member to attend an interest group or general meeting unless they are genuinely thinking of joining the u3a

2. Cotswold Link u3as

Cotswold Link u3a members are considered to be non-members of Thornbury u3a. Therefore the rules above apply to them as well.
